

Hooked on a feeling.

Wall Champions Coat Rack · Rafael Rodríguez

Wall Champions is a coat rack that was born a footballer. The players of our classic football table have jumped from the pitch to the wall and taken the shape of a coat rack. A piece as useful as decorative and significant. Because in the football universe, colours mean passion. Players are fully customisable with the personality and exclusivity of hand-painted artwork. Male of female, skin tone, and of course, the uniform. Any team. From today or from the past. Make it yours and live your colours.

Wall Champions es un colgador que nació futbolista. Los jugadores de nuestros futbolines saltan del terreno de juego a la pared y toman la forma de un perchero. Una pieza funcional y decorativa a partes iguales y cargada de significado. Porque en el fútbol, los colores son pasión. Los jugadores son totalmente personalizables con la autenticidad del trabajo pintado a mano. Chicos, chicas, el tono de la piel, y por supuesto, la equipación. Cualquier equipo. De ahora o del pasado. Hazlo tuyo y vive tus colores.
