

Storet

Year	1994 – 2021
Designer	Nanda Vigo

A playful, spirited pillar of drawers, the Storet cabinet epitomizes the visionary touch of Nanda Vigo designs. In both its elongated vertical edition, and in the nightstand designed by Nanda Vigo but manufactured for the first time only now, the Storet reflects today's advances in production, with the walnut's visible grain illuminating Acerbis's modern expertise in utilizing extensive wood surfaces. The furniture's key element is the drawers' moulding and it is available in glossy lacquered burgundy, pink, dark green, mustard yellow, brick red, clay, white and black.

Dimensions

Finishes

Chest of drawers' system made of medium density wood fiber with open grain brushed veneer in black ash and dark walnut finishes.

Drawers: glossy lacquered burgundy, pink, dark green, mustard yellow, brick red, clay, white SW and black.

Drawer interior: open grain veneered plywood in the same finish as the structure.
