

Steel

Year	2001
Designer	Lodovico Acerbis, Gabriele & Oscar Buratti

In a unique collaboration, award-winning designer Gabriele Buratti and Acerbis' own Lodovico Acerbis created the Steel sideboard unusually wide, emphasized by a minimalist structure that rests on two ephemerally thin side panels in mirror-polished steel, and bathed in light diffused by a matte methacrylate strip set into the top, with an illuminated interior and base as well.

Dimensions
