

Storet

Year	1994 – 2020
Designer	Nanda Vigo

A playful and spirited pillar of drawers, the Storet chest of drawers epitomises the visionary touch of Nanda Vigo designs. In both its elongated vertical edition, and in the nightstand version, the Storet reflects today's advances in production, with the walnut's visible grain illuminating Acerbis's modern expertise in utilizing extensive wood surfaces. Made of black ash, dark-stained walnut, or in the matt lacquered version, Storet's vertical structure is paired with glossy lacquered drawers, available in the iconic Acerbis palette and enriched by Fluo Green: a tribute to Nanda Vigo's installations, where light and fluorescent colors redefined the perception of space, transforming it into a sensory and dynamic experience.
