Despacho del fundador de Carpyen, 1948

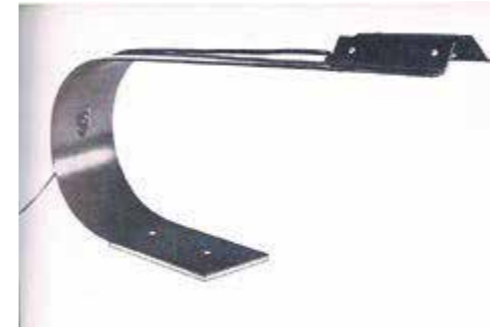

“Venimos de Barcelona, una ciudad de luz; nacimos y crecimos aquí. Seguimos fabricando todos los productos en nuestras instalaciones, nos inspiramos en una ciudad viva, original y cosmopolita, con un horizonte azul Mediterráneo, miles de espacios por descubrir y miles de historias que contar. Estamos orgullosos de mostrar al mundo que Carpyen “MADE IN BARCELONA” tiene una imagen sólida y una fuente inagotable de recursos creativos”.

Por encima de todo, es una aventura humana. Ese es el preciado lema de las mujeres y hombres que conforman Carpyen. Todo un mundo de luz para crear y recrear sin fin en los talleres de Carpyen con los diseñadores más reconocidos.

“We are from Barcelona, a city of light; We were born here and we grew up here. We continue to manufacture all our products on site, we are inspired by a lively, original, and cosmopolitan city, with a Mediterranean blue horizon, thousands of spaces to discover and thousands of stories to tell. We are proud to show the world that Carpyen “MADE IN BARCELONA” has a strong image and inexhaustible creative resources.” Above all, it’s a human adventure. That is the beautiful and proud motto of the women and men at Carpyen. A whole world of light to endlessly create and recreate in Carpyen’s workshops with the finest designers.

“Nous venons de Barcelone, une ville de lumière; Nous sommes nés et nous avons grandi ici. Nous continuons à fabriquer tous nos produits sur place, nous nous inspirons d’une ville vivante, originale et cosmopolite, avec un horizon bleu turquoise, des milliers de lieux à découvrir et des milliers d’histoires à raconter. Nous sommes fiers de montrer au monde que Carpyen “MADE IN BARCELONA” a une image forte et des ressources créatives inépuisables.” Avant tout, c’est une aventure humaine. Telle est la belle et fière devise des hommes et des femmes de la maison Carpyen. Un monde entier de lumière à créer et recréer sans cesse dans les ateliers de la maison Carpyen avec la fine fleur des designers.

“Wir kommen aus Barcelona, einer Stadt des Lichts. Wir wurden hier geboren und sind hier großgeworden. Wir produzieren alle unsere Produkte weiterhin vor Ort, wir sind inspiriert von einer lebendigen, originellen und kosmopolitischen Stadt mit Mittelseeblauem am Horizont, Tausenden von Orten zum Entdecken und Tausenden von Geschichten zum Erzählen. Wir sind stolz darauf, der Welt zu zeigen, dass Carpyen “MADE IN BARCELONA” ein starkes Image hat und über unerschöpfliche kreative Ressourcen verfügt.” Vor allem ist dies ein menschliches Abenteuer. Das ist das schöne und stolze Motto der Frauen und Männer des Unternehmens Carpyen. Eine ganze Welt des Lichts, die in den Werkstätten des Unternehmens Carpyen mit der wunderbaren Kraft der Designer unaufhörlich kreiert und neu gestaltet werden kann.

## Luz y material

Para revelar la singularidad de cada material trabajado, como el alabastro o la cerámica, prestamos una genuina atención tanto a la artesanía como a las nuevas tecnologías. Nuestra colección “Made in Barcelona” realza no solo la luz, sino también la riqueza natural del material.

### Light & material

When revealing the uniqueness of each material, such as alabast or ceramic, we pay genuine attention to both craftsmanship and new technologies. Our “Made in Barcelona” collection emphasizes not only the light, but also the natural richness of the material.

### Lumière et matière

Soucieux de révéler le caractère unique de chaque matière travaillée, comme l'alabast ou la céramique, nous prètons une véritable attention tant à l'artisanat qu'aux nouvelles technologies. Notre collection «Made in Barcelona » met en valeur non seulement la lumière, mais aussi la richesse naturelle de la matière.

### Licht und Material

Bei der Entdeckung der Einzigartigkeit jedes Materials wie Alabaster oder Keramik legen wir großen Wert auf handwerkliches Können und neue Technologien. Unsere Kollektion „Made in Barcelona“ betont nicht nur das Licht, sondern auch den natürlichen Reichtum des Materials.

## El cubo

GABRIEL TEIXIDÓ  
2020  
Reissue of 1974

Originally designed by Gabriel Teixidó in 1974, El Cubo is a synthesis of its innovative vision and generous approach of improving people's quality of life. The established Spanish designer imagined a lamp that allows the modulation of light intensity. On a slim metal profile, several half-spheres come to life with a simple gesture, for defining a softer atmosphere. Gabriel Teixidó's 2020 new interpretation lends the classic piece a sophisticated silhouette, in line with the essential design language of today.
