CONECTANDO
ESPACIOS + PERSONAS + EQUIPAMIENTOS

CONNECTING,
SPACES + PEOPLE + EQUIPMENT

CONNECTER,
ESPACES + PERSONNES + EQUIPEMENT

Nos preguntamos qué necesitan los espacios, y la respuesta es que cada espacio tiene su particularidad, su forma y distribución, en definitiva, una solución modular, una solución personalizada.

MODULAR

MODULAR

We wonder what spaces need, and the answer is that each space has its particularity, its shape and distribution, in short, a modular solution, a personalized solution.

MODULAIRE

On se demande de quoi ont besoin les espaces, et la réponse est que chaque espace a sa particularité, sa forme et sa distribution, bref, une solution modulable, une solution personnalisée.

FUNCIONAL

Los nuevos usos de los espacios, las necesidades tecnológicas nos llevan a concebir piezas donde convivan el confort y la funcionalidad.

FUNCIONAL
The new uses of spaces, technological needs lead us to conceive pieces where comfort and functionality coexist.

FONCTIONNEL
Les nouveaux usages des espaces, les besoins technologiques nous amènent à concevoir des pièces où cohabitent confort et fonctionnalité.

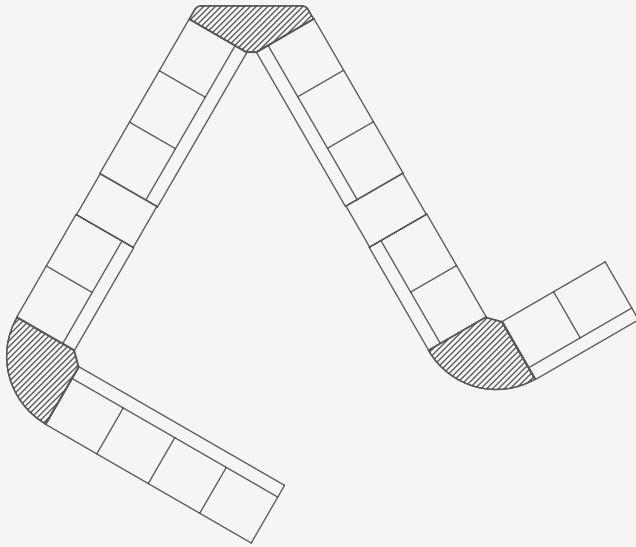

MODULARIDAD FUNCIONAL

BASEL es completamente modular, su diseño permite realizar las composiciones que cada espacio precise.

FUNCTIONAL MODULARITY.
 BASEL is completely modular, its design allows to make the compositions that each space requires.

MODULARITÉ FONCTIONNELLE.
 BASEL est complètement modulable, sa conception permet de réaliser les compositions que chaque espace requiert.

BASEL
